

JAECCOO

J7

Exterior

The JAECOO J7 stands out with a striking front design, highlighted by a substantial hexagonal vertical waterfall grille that not only enhances its aesthetic appeal but also instills a heightened sense of solidity and presence. Its split lighting system creates a near-natural daylight effect, adding another layer of sophistication to its overall design.

Design-inspired tail-lights for JAECOO J7 are not only functional but also serve as signature elements, contributing to the vehicle's overall aesthetic identity.

With precision craftsmanship, the JAECOO J7 focuses on an elegant yet functional design - contributing to the overall aesthetic identity of a premium off-road SUV.

Interior

Intelligent Technology Cabin.

A combination of major technology advancements.

14.8-Inch Central Display

Navigate controls with ease and precision, thanks to its intuitive design, ensuring a seamless and user-friendly driving experience.

50W Air-cooled Wireless Charger

Effortless power at your fingertips, redefining convenience and efficiency for your devices

Futuristic Transmission Shifter

A seamless blend of style and performance with the Avantgarde Fighter-inspired Transmission Shift.

SONY Surround Sound System

Immerse yourself in cinematic brilliance, where every sound comes to life, elevating your audio experience to new heights

540° Camera System

Easy access to road conditions with panoramic transparent chassis for all-road safety protection.

Design & Technology

19-Inch Aluminium Alloy Wheels

Designed to resemble an Aurora for a trendy and dazzling presence.

Intelligent AWD for all roads.

Adaptive controls with 7 different driving modes, allowing drivers full control in taking over all-road conditions with an acceleration of 0-100km in 8 seconds.

The AWD system of JAECOO J7 features excellent performance, with good fuel economy and superior acceleration with a consumption of 7.48L/100KM.

Caged Energy-absorbing Space.

The JAECOO J7 delivers unmatched protection, achieving a global 5-star security and safety standard. Its robust body structure provides impressive torsional stiffness of 23,000 Nm/deg, ensuring safety from the ground up

JAECOO

JAECOO J7 | Product specifications

Dimensions	4500 x 1865 x 1680 mm
Wheelbase	2672 mm
Kerb weight	2,037 KG
Engine & Transmission	1.6 TGDI + 7 DCT
Seat capacity	5
Power (kW/HP)	145 kW / 194 hp
Torque (Nm)	290Nm
Drivetrain	All Wheel Drive
Driving Modes	7
Leather Steering wheel tilt & telescopic with EPS & STRG Mode Adjustment	Yes (includes heating)
Suspension	Macpherson (Front), Multilink (Rear)
Brakes	Front Ventilated Disc Brake & Rear Disc Brakes
Wheel Size	19-Inch
